Mole Valley Ramblers Summer Evening Walks 2025

The return of our summer evening walks, showcasing the best of our local countryside over 3 to 6 mile walks, with the chance of a sociable drink at a pub afterwards.

There will be a series of eight such walks between May and early September, on Mondays or other mid-week evenings, starting at 6.30 pm. They will be published in the normal way on Walks Manager, accessible through the MVR website and the Ramblers app. The walks are open to all, but if you wish to eat at the pub before you will need to pre-book directly. We cannot guarantee getting back to the pub at a particular time, so this year we are planning just for drinks together after the walks, rather than pub meals. We hope this will be a welcome addition to our wide range of daytime walks on most days of the week.

This is the outline programme for evening walks updated 11.05.25. We invite you to book these dates in your diaries, as well as checking out the dates of the many other special events in the MVR calendar for 2025 as shown on our website: www.molevalleyramblers.org.uk.
